

WORLD CARP LAKE RULES

- 1) Entry to the lake is permitted only to members (fishermen and guests)
- 2) Each fisherman is allowed to host only one person at a daily cost of Euro 5
- 3) Only and exclusively Carp Fishing fishing is permitted, all other types of fishing are absolutely prohibited. Violators will be immediately removed from the lake.
- 4) Both upon arrival and upon exit, you must always report to the management.
- 5) Absolute ban on bathing in all its forms.
- 6) Fishing is permitted with three (3) rods per angler.
- 7) Mandatory hooks without barbs, or with crushed micro barbs, the rigs must be made in such a way that in the event of line breakage, the lead is easily lost by the fish.
- 8) Absolute ban on zig rigs in all its forms.
- 9) Only and exclusively nylon in reels is permitted, the minimum size of which is 0.35 mm in diameter. Braid is prohibited both on spools and as shock leaders.
- 10) Nylon leadcore and shock leaders are permitted (leadcore without joint swivel).
- 11) Prohibition of the use of carp-sacks, prohibition of the use of boats (boats/inflatable boats, etc.).
- 12) All types of bait are permitted (boilies, pellets, grains, flaked, method, etc...) without quantity limits, only the use of corn is prohibited (both as bait and as bait). use canned sweet corn.
- 13) Every fisherman must have all the essential equipment for caring for fish. Flat mattress models or models without sides are prohibited. Only the cradle model is permitted.
- 14) Fishing is authorized within one's own location, in the spaces defined by the management.
- 15) Fishing is permitted both by launch and with a radio-controlled boat in all locations; the radio-controlled boat must be used in its own fishing area and at a maximum distance of 100 meters (100 m).
- 16) The caught fish must be released as soon as possible after the ritual photographs, both at night and during the day it is allowed to keep the fish in the floating sling only to prepare for taking the photographs.
- 17) Lake opening hours: April – September 7.30 am – 6.30 pm ---- October – March 8.00 am – 5.00 pm

18) Fishing hours: Fishing and all the activities that follow start from 10.00 am and the location must be free in every sense by 10.00 am on the day the activity ends (unless agreed with the management).

19) Animals are allowed and welcome, for everyone's peace and tranquility, you must keep them inside your own place, and clean their excrements, do not create discomfort for other fishermen or anyone else, a leash and muzzle are recommended in every circumstance.

20) Respect nature and what surrounds you, barbecues are tolerated if used correctly, any form of free fire is absolutely prohibited.

21) Fishing positions must never be abandoned, if necessary the lines must be retrieved from the water.

22) The waste, at the end of the fishing trip, must be taken to the appropriate bins (sorting all the rubbish) located near the entrance.

23) The road surrounding the lake must be left absolutely free, it is absolutely forbidden to travel within the lake with your own vehicle unless absolutely necessary (doing the shopping). The lake provides one bicycle per station which can be used for all necessary travel within the lake. All bicycles must be returned to the management at the end of the trip.

24) It is at the discretion of the management to check even several times a day that each fisherman respects these regulations: bait, rigs, main line, cradle, landing net and everything that comes with it.

25) The owner and the members of the lake's board of directors do not consider themselves responsible for any quarrels or disputes between fishermen and any damages caused by third parties.

26) Anyone caught violating this regulation will be immediately removed from the lake without any refund.

27) The regulation is absolutely unquestionable, and can be modified at any time only by the board of directors without any notice.

The management thanks you for your attention and wishes you a happy stay.
